

# **SUPER-GODDAM-NO-GOOD-DIRTY-MOTHER-FUCKING-ASSHOLE**

(Tune: Supercalifragilisticexpialidocious)

*Revised Lyrics © Paul Finkleman*

I always was afraid to swear when I was just a lad  
and never used four-letter words, for fear that they were bad.  
But I've come a long way since I was such a timid child,  
Now when the world goes weird on me, I use Words Gone Wild! .... and I say:

Supergoddamnogooddirtymotherfuckingasshole  
Even though the sound of it just might create a hassle.  
If you don't like how it sounds, well, I'm not going to fight or wrassle.  
I'm not a Supergoddamnogooddirtymotherfuckingasshole

Um diddle liddle liddle um diddle lie (x 2)

So many people in this world can bring you to your knees  
The guy who doesn't tell his partner he's got STD's  
The Monsanto CEO complaining from his yacht  
The big game hunter posing with a rhino he's just shot, yes, he's a

Supergoddamnogooddirtymotherfuckingasshole  
Feels so cathartic, just like when you're passing gas, so  
Say it and you'll feel like you're the Queen of Windsor castle  
Supergoddamnogooddirtymotherfuckingasshole!

Um diddle liddle liddle um diddle lie  
Um diddle liddle ... I know what you're thinking.

“Supposing there are children around?  
Or you're in church, or a shrine or a temple?”  
Well, I'm not disrespectful. I'd just say:

Supergod \*bleep\* nogooddirty mother \*bleep\* ing \*bleep\* hole  
Although it's not a word that's often heard beneath a steeple  
Stub your toe, I'll guarantee you every class of people ... will go  
Supergod \*bleep\* nogooddirty mother \*bleep\* ing \*bleep\* hole

Um diddle liddle liddle um diddle lie (x 2)

The lady driving 80 tail-gating on your ass,  
The guy who sprays herbicide all over his grass,  
The man I meet who tells me some of his "best friends" are blacks and Jews,  
People at a party with a bowl of mixed nuts who pick out all the cashews.

The mother with the 'Baby on Board' sticker, 5 kids in her van,  
coffee between her legs, cigarette and cell phone in her hands,  
the constipated boss who screams at his employees  
'cause he's having trouble taking a dump.  
that walking human embarrassment, I'm talking Donald Trump: He's a

Supergoddamn good dirty mother fucking asshole  
I said it once in school and I got kicked out of class, so...  
I know you're thinking:  
That's all fine and dandy, Paul .... but can you say it backwards? Sure!!  
Asshole fucking mother dirty no good goddamn super!  
Julie Andrews said that once, now it's a classic blooper!  
You won't ever be accused of being a party pooper ... if you say

Supergoddamn good dirty mother fucking asshole!  
Feels so cathartic, just like when you're passing gas, so  
so next time you're harassed or someone really bugs your ass, go:  
Supergoddamn good dirty mother fucking asshole!
